# Werte und Bedürfnisse im französischen Arbeitsumfeld

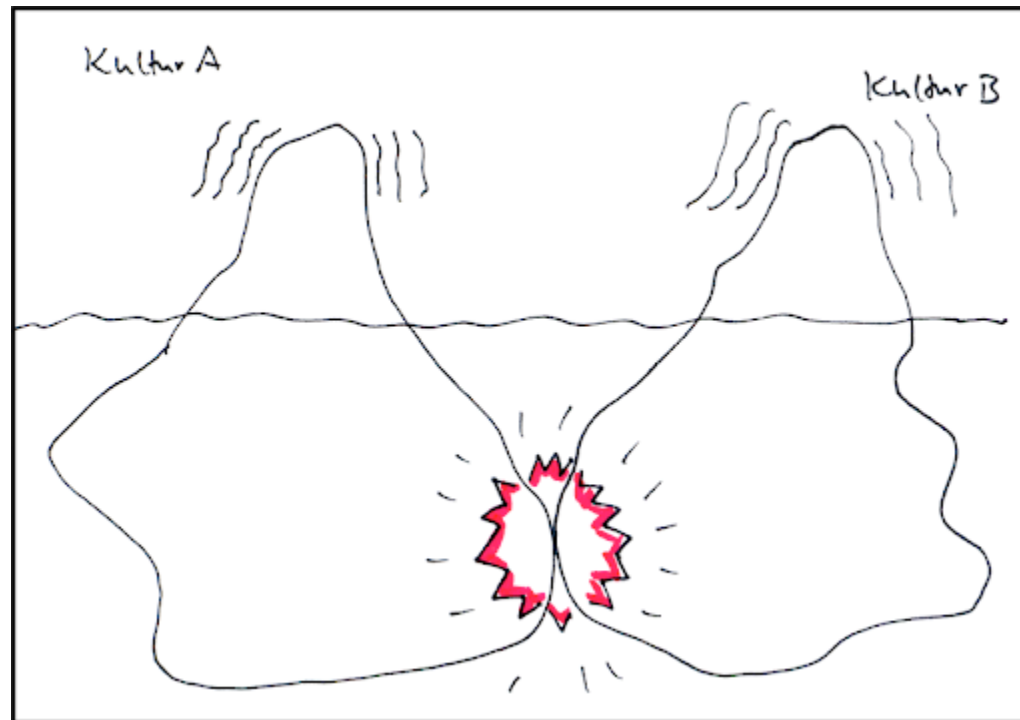

Culture hides more than it reveals and strangely enough what it hides, it hides most effectively from it's own participants. Years of study have convinced me that the real job is not to understand foreign culture but to understand our own.

Wie stellen sich  
die Franzosen  
die Deutschen  
Kollegen vor?

A man in a dark suit and light shirt stands next to a silver car with its hood open. He is holding the edge of the hood with his right hand. The engine compartment is completely blacked out with a large black brushstroke. The background is a plain, light-colored wall.
