

AU-PAIR

My name is Line Schön and I am currently 17 years old. I was born in London, however I have lived in Germany since I'm four. I will finish school with the IB Diploma in Mai, which I've been studying for the past two years at Scarborough College.

I am seeking the opportunity to spend approximately three months as an Au-Pair in Paris (end of September until Christmas). I am very motivated to support your family, care for your children and participate actively in daily life while further improving my English and contributing to your family's life.

I have practical experience with children, including babysitting since year 8 for my neighbours, supporting my younger brother and sister and coaching girls from the age of 7 to 13 in field hockey as an assistant coach. I enjoy organizing creative activities, reading and engaging children in playful learning.

I consider myself a responsible, reliable and very patient person. I am also friendly, approachable and organised and I value open communication and collaboration with the families I work with. My personal interests are field hockey and I also play the violin since the age of six. Also I enjoy travelling and spending time with others, even if it's just for a walk with a coffee-to-go.

I am seeking a welcoming and supportive household where I can contribute meaningfully to the children's development and household, becoming an integrated member of family life.

I would greatly appreciate the opportunity to discuss my application further via video call or conversation and I look forward to the possibility of joining your family.

Sincerely,
Line
